

Liturgical ministers should always dress appropriately when serving Mass. Using your best judgment, and at your choice, consider either "business casual" or "formal business attire."

For women: dress slacks, dress blouses, skirts, sweater sets, pantsuits, blazers, dresses, business suits, dress shoes, sandals.

For men: dress pants, dress shirts, khakis, polo shirts, jackets with or without ties, sports coats, dress shoes, docksidiers, business suits.

Items that should never be worn include: shorts, jeans, sneakers, flip flops, low-cut blouses or tops, mini skirts, dresses that are inappropriately revealing, athletic or velour sweat suits.

If attending a Mass you are not scheduled to serve, you may be needed as a substitute. With that in mind, please come to church dressed appropriately to serve.
